MESSAGE BY THE PRESIDENT, MR BILL GONIS OAM

On behalf of the Greek Orthodox Community of SA I am delighted to invite you to celebrate together with us the annual Adelaide Hellenic Cultural Festival 'ODYSSEY'. For 14 years, the Greek Orthodox Community of SA has carried on the finest Hellenic tradition of presenting to the Greek and broader South Australian Community a number of events and festivals in order to maintain and celebrate our cultural identity.

During that time, we have generously shared our Greek heritage and values with Australians of all backgrounds, and have always aimed at providing a great service where we can to multicultural and multilingual education.

The Greek culture and tradition is a very profound and enduring part of South Australia's character and make-up.

This year from October 4th until November 17th, the Odyssey will provide us all once again with an opportunity to participate in a number of events through the theme "Education Through Greek Arts". The events are many and varied including an art exhibition, music, theatre and so much more. Enjoy the many more events within the month of October, enough to maintain everyone's interest as well as gaining a greater insight into a culture that has been willing to share its historical roots, but also willing to embrace its new-found surrounds.

The Delphi Bank Greek Film Festival has also announced their program for this year, which is the 26th time the important film event will be held. The Festival offers the opportunity for film lovers and philhellenes to enjoy the best films to come out of Greece in the past several years. It also presents diverse stories made by Greek filmmakers who make their movies in other countries all over the globe.

For nearly 90 years the Greek Orthodox Community of S.A. Inc. has been and will continue to be a front-runner in presenting Hellenic culture, education, traditions and many other events here in South Australia. I also take this opportunity to thank all our wonderful sponsors for their support and ask you to support them when the opportunity arises.

On behalf of the Greek Orthodox Community of South Australia I invite you to join us and experience some Hellenic hospitality and philoxenia.

A message from the Premier

The Honourable Steven Marshall, MP

As Premier of South Australia, I extend my warmest congratulations to the Greek Orthodox Community of South Australia for presenting the 14th Hellenic Cultural Festival 'Odyssey' in Adelaide.

The Odyssey Festival is testament to the Greek Orthodox Community of South Australia's commitment to preserving and promoting the glories of ancient and contemporary Hellenic art in all its forms.

This year's festival, themed 'Education through the Greek arts', promises to be a wonderful celebration of Hellenism through art, education, theatre and music, offering a rich and vibrant showcase of the significant cultural contribution that Greeks have made over the millennia, including here in South Australia.

I commend the Greek Orthodox Community of South Australia's President, Mr Bill Gonis OAM, members of the festival organising committee, volunteers and all the sponsors and supporters of this year's 'Odyssey', whose passion and tireless efforts continue to ensure that this festival continues to be a major attraction in South Australia's multicultural events

MESSAGE FROM PETER MALINAUSKAS MP
SOUTH AUSTRALIAN LABOR LEADER

14th Adelaide's Hellenic Cultural Festival
"Odyssey"

On the occasion of the 14th Adelaide's Hellenic Cultural Festival 'Odyssey', I extend my heartfelt congratulations to the Greek Orthodox Community of South Australia.

The Hellenic Cultural Festival Odyssey provides a tremendous opportunity to celebrate Greek artistic and cultural endeavours together - it offers the best of Hellenic art, music and film for all South Australians to enjoy.

The Greek Orthodox Community of South Australia has always been one of the drivers of multiculturalism in South Australia, and it is not surprising, this exhibition not only showcases some of the best work from local Greek artists, but also welcomes contributions from the wider community.

Greek immigrants to South Australia have long been generous with their culture, food and dance - and the Odyssey Festival is just one more example of this generosity of spirit.

On behalf of the Parliamentary Labor Party, I congratulate the Greek Orthodox Community of South Australia Inc. for continuing to highlight the strength and resilience of multiculturalism in South Australia for many years to come.

A father suffers from a stroke. Day before he won €4m on the cross lotto. His two sons, a next-door neighbour and his Bulgarian nurse, all get in to the battle to claim his will. It is the moment where morality and conscience cease to exist and everyone is trying to outdo each other ironically in a “sweet” way. The famous sweets “babades” with some added poison in them will be the way to go, literally!

A classic comedy, all the way from Greece, featuring four one-act plays, all having death as the common denominator. With sharp and sometimes politically incorrect humour, this play puts funeral wakes on the satiric microscope as it deals with those who mourn their loved one who has departed this earth. Husbands, wives, colleagues and rivals alike, all have their own way of dealing with the loss which isn't always what it looks on the outside...
