SCHOOLS COOKING PROJECT

Kids love to explore and create. And we are here to assist them!

Following the success of the Schools Pastry-Making Project three years ago, this year students will return to the secrets of traditional Greek cuisine.

Looks like the October school holidays are expected to be more productive and full of "Greek flavour", yet again.

The Schools Cooking project will feature a series of cooking lessons conducted by a group of volunteers with great knowledge on traditional Greek cuisine, ready to showcase the next master chefs.

This year, our Greek School students will delve deeper in to our traditional cuisine (the making of a 'tyropita' -cheesepie) while enjoying a variety of fun games and favourite dishes.

Saint Nicholas Function Hall will turn to a cooking workshop, with cooking stations set up around the main area and eager students learning how to master the making of traditional Greek dishes.

And as the saying goes " Business with pleasure", it couldn't be a schools cooking event without a great lunch and fun games.

This is the ultimate experience of Hellenic culture for the younger generations, as we witness the passing of traditions from the older to the younger.

The Schools Cooking Project has been scheduled for Wednesday the 5th of October 2022 at St Nicholas Church Function Hall , 71 George Street, Thebarton at 10.00am.

Participation fee \$15.

For bookings you can call us on 8231 4307.
